

ENGAGE

Engage now to influence the development of your workforce with the skills you need.

Developing the Young Workforce (DYW) Ayrshire

Engage with Education

Opportunities to work with schools and businesses to help inspire and develop your future workforce. Whether it be speaking to young people about your job and experience, work placement, supporting mock interviews, setting a real life business challenge or using your expertise to bring a classroom topic to life.

Skills Development Scotland (SDS)

Employability Fund

Local training providers work with you to understand your skills needs and help find and train the right individuals. This strong focus on work experience supports people to develop the employability and vocational skills they need to make the transition into a Modern Apprenticeship or job.

Employer Helpline 📞 0800 783 6000
